RC Drywall & Painting Inc

WHAT WE DO

Our company takes care of the smallest service as home service to the biggest one as urban complex. We strive to reach higher and higher to serve our clients.

We have never failed a project since the day we were founded. We always find the best way, the best solution for our customers and give them advice on their project. We are the best contractor.

OUR MISSION

We always look forward to making our clients satisfied and happy by offering the most high-quality, fastest, in-budget, ideal products, projects and buildings.

Throughout our commitment in the past 10 years, we have achieved many titles and awards. We are happy to serve and keep going on the construction industry, for a better life, and for a better future.
